

Veteran's Legacy and Reading Room

The Veteran's Legacy and Reading Room is a small exhibit located in the Joyce Raye Patterson 50+ Activity Center. This exhibit is made possible through a generous loan by Milt and Jan Toratti.

Included in the exhibit are a variety of military items spanning pre-Civil War through the War of Afghanistan. Accompanying the exhibit items are stories from veterans written in their own words. This unique interesting exhibit is truly one of a kind.

Regular hours are Monday-Friday, 8am-5pm, excluding holidays. The exhibit may also be opened by appointment. Request for appointments to view the exhibit outside of the regular operating hours may be made by calling (816) 271-4666.

This exhibit is open to all ages of the public, tour groups, field trips, and individual visits. Don't miss out on this experience. Make plans to come visit before it closes in October 2020. To learn more about this exhibit, contact the JRP by calling (816) 271-4666.
